REVIEW OF THE SIGNIFICANT CHANGES TO THE 2008 NEC.

**To: ALL CITIZENS OF THE CITY OF SAN ANTONIO CONCERNED WITH
ELECTRICAL CODE REGULATIONS**

**RE: TRAINING CLASS WITH THE CITY INSPECTORS TO REVIEW SOME OF THE
MORE SIGNIFICANT CHANGES OF THE 2008 NATIONAL ELECTRICAL CODE (NEC).**

This is an official notice that a free electrical training class will be sponsored by the Planning and Development Services Department. The training class will be conducted by the electrical inspections staff of PDSD. Training will consist of basic review of some of the most significant changes to the 2008 edition of the NEC.

The training class will be held on **Thursday February 5, 2009 from 4:30 to 6:30 PM** in Training Rooms A and B located on the 2nd Floor of the Planning and Development Services Building located at 1901 S. Alamo.

Take this opportunity to meet with the electrical inspections staff and to learn more about the adoption and implementation of the 2008 NEC along with revisions to Chapter 10 City Code.

Please keep in mind that this class is not an official continuing education class. Instead it is just a free training opportunity for those interested to come in and review with the inspectors those significant changes that were introduced in the 2008 edition of the NEC.

For continuing education credit, it is not too late for you to sign up for our annual SABCA electrical seminar scheduled for the day before, Wednesday February 4, 2009 to be held at the Convention Center. Please feel free to contact Yvonne Medrano at (210) 207-0158 for more information.
